

Industrial brushes, scrub brushes, brooms, and sweepers

We have prepared a catalog of industrial brushes, scrub brushes, brooms and sweepers for you. These products are produced as a serial production, and we have them ready in stock. These products are fitted with a filling material of your choice.

When choosing a brush from our standard production you get the following benefits:

1. **Faster delivery date** (approx. 10 business days from the order confirmation)
2. **Better prices**

We believe that if you choose from our catalog you will get a better service in the production and delivery of our products.

| Product Nr. | Product name | L | L1 | S | T | Filling material | VD | Body |
